Re: Your letter (QZ015)

Honourable Member of the European Parliament, dear Mr Giegold,

Thank you for your letter, which was passed on to me by Ms Irene Tinagli, Chair of the Committee on Economic and Monetary Affairs, accompanied by a cover letter dated 20 March 2020.

Regarding your question on the number of seconded experts, as at 31 March 2020 there are 229 experts from national competent authorities (NCAs) and national central banks (NCBs) who have been seconded to support the ECB in the execution of its supervisory tasks. Please see the number of seconded experts by Member State in the attached annex.

Please note that these secondments are limited to a maximum duration of three consecutive years, with many having a shorter duration. Following the end of their secondment, these experts have a guaranteed right to return to their NCA or NCB.

While more than one period of secondment to the ECB would generally be possible for the same person, so far this option has not been exercised in ECB Banking Supervision.

Yours sincerely,

Andrea Enria
