# Mapping TARGET2 Documents vs. T2-T2S Consolidation Project Deliverables

TARGET Consolidation Contact Group

3rd Meeting on 24 April 2018

#### Introduction

- The TCCG requested an overview of TARGET2 documents to allow a mapping exercise against the envisaged T2-T2S Consolidation documentation
- 12 TARGET2 documents have been identified
- A proposed mapping between the TARGET2 documents and T2-T2S Consolidation project deliverables has been established
- Objective: Review list of TARGET2 documents and proposed mapping to T2-T2S Consolidation project deliverables

### **TARGET2 Document Overview (1/4)**

| # | Title  | Description   | Mapping   | Remarks  |
|---|--|---|---|--|
| 1 | TARGET2 Guideline  | The guideline contains provisions governing the establishment, management and operation of TARGET2 which are binding on the participating NCBs  | TARGET Services Guideline NB: Name to be confirmed  | Legal context will rely<br>on the existing legal<br>framework (i.e.<br>TARGET2 Guideline)<br>to the largest extent |
| 2 | TARGET2 UDFS<br>Book 1, 2 and 4  | Detailed functional specifications described in four books where book three is an document describing modules for CBs only.  - Book one covers general description, core models and description of MT messages  - Book two describes optional modules  - Book four describes XML messages | a) CLM UDFS<br>b) RTGS UDFS<br>Incl. URL to message<br>usage guidelines<br>documented in<br>MyStandards |  |
| 3 | TARGET2 – Single<br>Shared Platform<br>Ancillary System<br>Interface (ASI) | Additional detailed information on the Ancillary System Interface   | RTGS UDFS   | All relevant details on<br>the Ancillary System<br>Interface will be<br>covered in the RTGS<br>UDFS                |
| 4 | Information and<br>Control Module User<br>Handbook (UHB)                   | A handbook describing in detail the TARGET2 GUI (ICM)   | a) CLM UHB<br>b) RTGS UHB   |  |

#### **TARGET2 Document Overview (2/4)**

| # | Title                               | Description  | Mapping  | Remarks |
|---|-------------------------------------|--|--|---------|
| 5 | Information Guide for TARGET2 Users | Aims at providing TARGET2 users with the operational procedures related with the daily use of TARGET2, including the ones concerning the euro cash settlement in T2S, aiming at ensuring smooth operations.  It also provides information on the:  (i) types of participation;  (ii) the contingency and business continuity testing;  (iii) Change and release management and  (iv) TARGET2 compensation scheme | Information Guide for<br>TARGET Services<br>Users<br>NB: Name to be<br>confirmed |         |
| 6 | TARGET2 Pricing Guide               | The purpose of this guide is to provide participants with a comprehensive overview of the pricing schemes for TARGET2 and T2S cash-related services and to give a detailed explanation of the billing principles for the core services of TARGET2, liquidity pooling, ancillary systems services and T2S services used by dedicated cash accounts (DCAs) linked to payment module (PM) accounts.                 | TARGET Services Pricing Guide NB: Name to be confirmed                           |         |

#### **TARGET2 Document Overview (3/4)**

| #  | Title   | Description  | Mapping   | Remarks  |
|----|---|--|---|--|
| 7  | User guide for collection of static data & registration guide for DCA holders | A manual for TARGET2 participants describing the procedures for registering the static data  | TARGET Services Registration Guide NB: Name to be confirmed |  |
| 8  | User Manual Internet<br>Access  | This manual establishes the procedures followed<br>by Banca d'Italia as "Accredited Certification<br>Authority" for the issue and utilisation of electronic<br>certificates in the context of the<br>internet access to TARGET2            | Not applicable  | As no "internet" access will exist in the new TARGET services, the respective document becomes redundant |
| 9  | Token User Guide  | A guide on how to install and use the Banca d'Italia token   | Not applicable  | NSPs will provide users with relevant instructions on how to access their services                       |
| 10 | Guide to TARGET2 user testing   | The guide aims at providing current and future PM account holders, ASs and DCA holders with details of all the technical, functional and procedural aspects while scheduling, organising and performing TARGET2 related testing activities | User Testing Terms of Reference                             |  |

### **TARGET2 Document Overview (4/4)**

| #  | Title   | Description   | Mapping   | Remarks   |
|----|---|---|---|---|
| 11 | Preparation to the go<br>live for new<br>connecting<br>participants | The manual contains the information for the registration of a new participant and the procedure to set-up the connection              | <ul> <li>a) TARGET Services         Registration Guide         NB: Name to be         confirmed</li> <li>b) Connectivity         Guide</li> </ul> |   |
| 12 | T2S Currency<br>Participation<br>agreement                          | Agreement between the ECB and the Eurosystem national central banks with the Connected NCBs on non-euro currency being settled in T2S | Not applicable  | For the time being there is no request to add a new currency to the future RTGS |
